

# LOU PICHOUN

FRENCH PRESCHOOL FOR 2-6 YEARS OLD  
SINCE 1997

**LOU PICHOUN** a été créée en 1997 dans le sud de Hong Kong, à Stanley. L'école accueille les enfants de la Très Petite Section (2-3 ans) à la Grande Section (5-6 ans). Depuis 2011, nous enseignons également à Happy Valley. Une succursale a ouvert cette année à Tseung Kwan O, juste en face des locaux du LFI.

L'après-midi, nous offrons la possibilité à votre enfant de suivre la classe en anglais, en mandarin ou bien à nouveau en français. Nous offrons une éducation trilingue (français, anglais et mandarin) à nos élèves.

Nous enseignons en français tous les matins dans nos 3 écoles, et prochainement l'anglais sera aussi disponible sur le site de TKO. Les élèves peuvent choisir du français, de l'anglais et ou du mandarin l'après-midi.

La collaboration de nos enseignants contribue également à la richesse du contenu des différentes activités offertes à Lou Pichoun, qui, outre les objectifs académiques pour chaque âge, a toujours mis l'accent sur le développement des compétences artistiques.

**LOU PICHOUN** was founded in 1997 in Stanley. Our curriculum thoroughly follows the French National Education Official Bulletin and relevant guidelines in terms of programs and objectives. We welcome children from the Très Petite Section (2-3 years old) to the Grande Section (5-6 years old).

Lou Pichoun extended in Happy Valley in September 2011 and opened its third campus in Tseung Kwan O in January 2019, opposite to the French International School.

We offer a trilingual program (French, English and Mandarin) to our students. A total French environment is set up in the morning (English will also be available soon in TKO campus) and students can choose among French, English or Mandarin in the afternoon.

At Lou Pichoun, we provide a happy and harmonious environment. We encourage students to learn to explore, to discover and to achieve tasks by building up self-confidence. While aiming at academic goals for each age, our teachers' contribution enriches the students' learning experience with a great deal of arts.
